

ALOPE - 5th edition of the latin american congress of dentistry for special patients

In 2017, the 5th Edition of the LATIN AMERICAN CONGRESS OF DENTISTRY FOR SPECIAL PATIENTS was conducted, with the support of the Latin American Association of Dentistry for Special Patients – ALOPE, from 14 to 16 September in the UnP – Potiguar University – Roberto Freire Campus, in Natal/RN – Brazil.

More than 500 participants were present at the event, as well as international and national renowned speakers (Brazil, Argentina, Mexico, Chile, Paraguay etc.), who contributed for the enrichment of the scientific schedule and for the improvement of area professionals through dissemination, discussion, and updating of knowledge.
